**Completion Report to
Suryodaya Trust**

OUR HEARTFELT GRATITUDE

Dear Members of SURYODAYA TRUST,

May the Lord give Your Peace!

St. Thomas the Apostle Franciscan Province in India expresses heartfelt gratitude to Suryodaya for its support towards COVID-19 relief work in India.

I, the project Coordinator of the Province, along with Fr. Praveen Henry D'souza, the minister provincial, Mrs. Arogymma and Mr. John are grateful for the financial help you rendered in reaching out the families of Suryodaya project children. When we requested, only three suryodaya project holders came forward to avail the help. After sending money to them still some more money is left. This money we have utilized for another urgent need that came to us, to help families in very backward area of Karnataka. This help is done through one trust worthy lay person. We have helped him before also from our local resources.

We are grateful to the generous donors of Suryodaya and we assure our constant prayer for their families.

Wishing you all a good health and safety.

May Lord Bless Suryodaya Trust Members and all it's generous donors.

Yours Fraternally,

Br. Rajasekhar Gopu, OFM

COVID-19 Help in Pavgada

COVID-19 relief work is carried out by Ramamurthy Swamy in Pavgada, the backward area in the state of Karnataka. The rain fall is very low in this place. Many people here are shepherds. Lockdown has affected them badly without any daily work. Through the resources from Sarvodaya, we are able to reach out around 100 families by providing them grocery kits. The people are very happy. Most of the people here are Hindus. Through this help we are able to reach out across different people of religion, caste and creed.

TO OUR DEAREST SURYODAYA TRUST

THANK YOU FOR
YOUR SUPPORT!
